Counsel –

Plaintiff is producing the attached **Plaintiff's Initial Exhibit List** (both excel and PDF) in accordance with the parties' agreement to exchange initial lists on December 10, 2025.

By serving this exhibit list, Plaintiff does not waive, and expressly reserves, all rights afforded under the Federal Rules of Civil Procedure, the Federal Rules of Evidence, the Local Rules, and all orders and procedures established by the Court in this action, including the right to amend, modify, withdraw, or supplement Plaintiff's exhibit list before and during trial. Plaintiff reserves the right to modify, withdraw, or supplement its exhibit list before and during trial including, but not limited, to the following non-exclusive set of circumstances: (1) to include documents produced untimely in this litigation for trial by an opposing party; (2) upon receipt of Defendants' exhibit lists and/or deposition designations or counter-designations and amendments to deposition designations or counter-designations; (3) in the event that additional relevant documents or materials are produced in this action, identified in supplemental expert reports, or discovered subsequent to the date of service of the exhibit list; (4) for purposes of adding any medical or scientific literature, other data, regulatory filings or communications issued or published after the date of submission of the exhibit list; (5) as required to cure an evidentiary objection; (6) in response to Plaintiff or Defendants proffering any documents they have not listed on their exhibit lists; (7) in response to rulings of the Court on any pretrial motions, including any expert motions, motions for summary judgment, motions in limine, or any other Court decisions that affect the scope of this trial; and (8) as necessary based on the future severance, settlement, and/or dismissal involving any party.

The inclusion of any exhibit on this list does not waive or affect any confidentiality designation under the Protective Order. Plaintiff expressly reserves the right to object to the introduction, use, or admissibility of any document listed on any party's exhibit list. The inclusion of a particular document on Plaintiff's exhibit list does not waive any right to object to the introduction, use, or admissibility of that document for any purpose. Plaintiff also reserves the right to use any deposition transcripts and any exhibits to deposition transcripts for any witnesses being called to testify at trial and/or use any deposition exhibits or other documents associated with any testimony that has been or will be designated or counter-designated by any party. Plaintiff reserves the right to use any and all documents or materials listed by any other party, including Defendants. Certain exhibits that were previously produced during discovery are further identified by bates number, native file name or description, as applicable. Plaintiff further reserves all rights to use documents de-designated and/or redacted, initially withheld for privilege, and subsequently produced by Defendants pursuant to Judge Cisneros' and Judge Jones' Orders

including the most recent Orders. Plaintiff expressly reserves the right to use alternative copies of such exhibits where appropriate, including physical, color, redacted, more legible, and/or native documents, or copies with or without deposition exhibit stickers. Plaintiff also reserves the right to use at trial summaries created in accordance with the federal rules and demonstrative exhibits, including without limitation: charts, graphs, photographs, animations, timelines, objects, models, PowerPoint slides, drawings, graphics, and other demonstrative aids. Plaintiff reserves the right to offer enlargements of any exhibits on the list or on any party's exhibit list.
